November, 18, 1965.

Dear Captain and Mrs Matthews:

I am enclosing this note along with your card as I have a favor to ask. In going thru my address book I find I do not have your sister's address, I would appreciate if you could send it to me. I would like to thank her for her thoughtfulness in writing to us.

Mr & Mrs V. V. Bourque.

P.S. How are you making out about the film?
