Mrs. Thomas A. Sanders

Dear Mrs. Sanders:

I hope that you will excuse the delay in our answer to your letter of 5 November 1966 requesting information on replacement for an Academy miniature. We have recently had a change in office administration which caused a delay in response to correspondence.

The manufacturer of your husband's class ring was Herff Jones. The local Academy representative is:

Joe Carpenter
110 Hooker Street
Denver, Colorado

I feel certain that he can provide you with the information that you are seeking. If you do not receive a response from him within a reasonable length of time, please let this office know so that we can follow up on it.

The new Register of Graduates should be published later this month. While discussions are still under way concerning the mailing of newsletters and other publications to the widows of deceased graduates and no decisions have as yet been reached, I will personally see that a copy of the Register of Graduates is sent to you.

If the Association of Graduates can be of any assistance to you, please do not hesitate to write.

Sincerely,

GEORGE H. HIMES
Executive Secretary
Association of Graduates
