Major William M Mack
USAF Academy, Colorado

Dear Major Mack

We wish to thank you for the pictures taken at our son's funeral. The colored ones at the cemetery captured the quiet beauty of the out-of-doors that Donald loved so much. When we looked at them, we were glad that he was lying there, and they will be a constant reminder that, though we may not visit his grave often, it will have good care.

Sincerely yours
Mr and Mrs James E Watson
