FORWARD AIR CONTROLLERS ASSOCIATION

PERSONALIZED TRIBUTES TO THE FACs KILLED IN ACTION

Harlow Kenneth Halbower

Killed In Action 2 January 1966

Captain Harlow Kenneth Halbower was from Anthony, Kansas and born on 24 December 1936. He was 29 and married when he died. Captain Halbower was a Python Forward Air Controller assigned to the 19th Tactical Support Squadron at Bien Hoa. He was flying O-1F S/N 57-2889 when he was shot down by ground fire near *Moc Hoa* * 18 miles west of Tan Son Nhut Airport in Hua Nghia Province South Vietnam. He had six years of service and was a graduate of the first Air Force Academy class in 1959. Captain Halbower was also the first member of his class to die in Southeast Asia. His body was recovered and his name is located at 04E 050 of the Vietnam Memorial.

**** an update to the FACHBCD***
