CSAG/Capt Mathews/fbw

21 January 1966

Dear Mr. and Mrs. Dixon:

On behalf of all officers, cadets and airmen of this Command I wish to extend our sympathy and regrets at the loss of your son.

I didn't have the opportunity to know Chris personally. But I am most familiar with the sort of demanding work he was doing, and I trust you take some good measure of pride and comfort from his dedication to a demanding profession.

Many of the people still here at the Academy remember your son, recalling him as an enthusiastic, warm-hearted young man. I regret that we will not have the opportunity to enjoy working with him in the future. Yet rest assured that we shall not forget the quality of his service, short though his career may have been.

The Academy is open to you, should you wish to visit us. We would be most honored by your calling on us.

Regretfully,

THOMAS S. MOORMAN, Lt General, USAF
Superintendent
