Capt Walker, Thomas Tyler 7 April 1966

B-57B 52-1530 8 TBS, 405 FW attached to 6252 TFW, USAF, Da Nang

Capt Robert Russell Barnett (KIA)
Capt Thomas Taylor Walker (KIA)

A Canberra was lost during a daylight raid in the Steel Tiger area of Laos about 55 miles west of Hu6. The cause was not determined although it was thought probable that the aircraft had been hit by ground fire. This aircraft had previously served with both the Nevada and Kentucky ANG prior to service in Southeast Asia.

Narrative author: Charles Louis Weinert, USAFA 1969. He compiled the information from the AOG Register of Graduates and fellow graduates as well as excerpts from Vietnam Air Losses by Chris Hobson, Midland Publishing. Sent by Charlie to the AOG in 2000.
