Frank Delzell Ralston, III
Class of 1963
9th Squadron

Date of Birth: 2 March 1941
Home Town: Denver, CO

1st Lieutenant Frank D. Ralston was reported missing on 14 May 1966 while on an armed reconnaissance mission over North Vietnam. The F-4C aircraft he was copiloting was number two in a flight of two. The lead aircraft asked for a radio check and it was received; however, this was the last transmission from the missing aircraft. A white flash was observed, but no crash, fire, or automatic weapons fire was seen. His status was changed to Killed in Action on 9 January 1978. He was promoted to Major posthumously.
