Summary of Casualties Due to Hostile Action in Southeast Asia -• continued

N VIETNAM: On 14 May 66, two Air Force members were reported MIA while on an armed reconnaissance mission. The missing aircraft was number two in a flight of two F-4Cs. The lead aircraft asked for a radio check and it was received, however, this was the last transmission from the missing aircraft. A white flash was observed, but no crash, fire, or automatic weapons fire was seen.
