They are sure treating us nice on our last day here. Had bacon & ^{an} egg for Breakfast.

It is just 8:30 AM. & I have a lot of checking in to do so see you later.

9:30 PM. I was told this PM. that I am to stay here and be an instructor. The rest of the boys are all leaving. They keep two of the fellows of each class as instructors, ^{above average} & pilots. So Jay & I are the ones. So we don't have to pack up after ~~all~~ all. The rest of the class are being sent all over England.
