

TO HONOR

ROBERT H. BRUNDIN

COLONEL, USAF (RET.)
1922-1994

Robert Brundin served in the U.S. Army and Air Force from 1941 to 1966. He was a 1944 graduate of the USMA and a pilot during WWII. He was acting head of the Chemistry Department of the Air Force Academy from 1965 to 1966 and was the project officer for NASA's Mercury Program. As a civilian he was the personnel officer for Kaman Sciences Company.

AN OUTSTANDING OFFICER & FRIEND

BY B/G GEORGE V. FAGAN AND COL. WILLIAM J. MAHON
