

## TO HONOR

### **Lt. Col. Bryce Poe, USA**

*Colonel Poe served the nation in two wars. During WWI he served in the defensive sector of Château-Thierry, and in combat at Saint-Mihiel and Meuse, Argonne. In WWII he participated in the Pacific Ocean area including the liberation of the Philippine Islands campaign.*

*He was a commander who always thought of his men, and passed that charge on to his son — together with a respect for subordinates and great love of Country.*
