

TO HONOR

WALLACE E. MOORE
Lt. Colonel, U. S. Air Force

Colonel Moore, in a distinguished academic career, was awarded the Air Force Commendation medal with cluster for developing the AF manuals for electronic navigational flight systems. In 1971 he completed a tour flying as a C-130 gunship infrared-sensor operator over Laos. For this service and “extraordinary achievements in destroying enemy equipment” he was awarded the Air Medal with three clusters and the Distinguished Flying Cross with three clusters.

By: Colonel William J. Mahon, USAF (Ret.), his friend.
